

OPEN HOUSE

explore our past, envision your future

March 9

2 - 6 P.M. • TCTC PENDLETON CAMPUS

UNIVERSITY TRANSFER

Representatives from four-year colleges and universities like Anderson, Bob Jones, Clemson, Converse, Erskine, Furman, Gardner-Webb, Lander, Limestone, and more will be available to answer your questions, as well as representatives from the Call Me Mister program and the TCTC Bridge programs.

HEALTH EDUCATION

Whether you have a desire to help people or to work with animals, this Open House event will introduce you to a wide range of career options in the healthcare field. We'll have representatives available from Expanded Duty Dental Assisting, Medical Assisting, Medical Laboratory Technology, and Surgical Technology programs to talk with you about career options in allied health. We'll also share information about the rest of our exciting healthcare programs, including Nursing, Pre-Pharmacy, and Veterinary Technology!

BUSINESS AND PUBLIC SERVICES

Our business programs train you for careers in management, administrative office technology, accounting, computer and information technology, and a variety of other pathways. The Open House event also will provide information about our programs in public service fields, including Criminal Justice, Early Childhood Development, and Radio and Television Broadcasting.

ENGINEERING & INDUSTRIAL TECHNOLOGY

Exciting demonstrations in fields ranging from robotics to welding are planned for this division. Come learn about high-tech, high-paying career options in automotive, construction, manufacturing, electronics, engineering graphics, HVAC, mechatronics, and other technology-focused fields. Instructors will be available to talk with you more about the programs and the career pathways that follow.

We will have representatives from other areas of the College to answer questions you may have in areas including Admissions, Financial Aid, Connect to College, Athletics, High School Dual Enrollment, BMW Scholars, TCTC Clubs and Organizations, Corporate & Community Education, and Tri-County's Community Campuses.

**We're entering qualified participants into a drawing
for a KindleFire so come join us!**
