

The following programs are not eligible for federal or state financial aid with the exception of Lottery Tuition Assistance.

* Indicates Program ineligible for federal or state aid beginning fall 2011 with the exception of Lottery Tuition Assistance.

Lottery Tuition Assistance (LTA) eligible programs only.

ARTS AND SCIENCES

* *General Studies*

Professional Communications

* *University Studies*

HEALTH EDUCATION

* *Allied Health Preparation*

* *Nursing Preparation*

* *Health Science*

* *Pre-Dental Hygiene*

* *Pre-Nursing*

INDUSTRIAL AND ENGINEERING TECHNOLOGY

Automotive Technology

Automotive Air Conditioning Systems

Automotive Braking Systems

Automotive Engine Electrical Systems

Automotive Engine Performance Systems

Automotive Transmission Systems

Construction Technology

Basic Carpentry

Basic Masonry

Residential Plumbing

Residential Wiring

Engineering Graphics Technology

Basic AutoCAD

INDUSTRIAL AND ENGINEERING TECHNOLOGY (Continued)

General Engineering Technology

Engineering Science Transfer

Heating ,Ventilation and Air Conditioning Technology

Beginning Air Conditioning/Refrigeration

Industrial Electronics Technology

Utility Service Technician

Industrial Supervision Technology

Introduction to Manufacturing Management Technology

Textile Yarn Manufacturing

Introduction to Quality Assurance

Machine Tool Technology

Introduction to CNC Certificate

Basic Machining

CAD/CAM/CNC Fundamentals

CNC Math and Print Reading

Welding Technology

Gas and Arc Welding

MIG and TIG Welding

Operation of Manufacturing Robots
