

## 2017-2018 Verification of Other Benefits Received

You indicated on the Free Application for Federal Student Aid (FAFSA) that you and/or your family had little or no income in 2015. We need to verify how you and/or your family met your living expenses without significant income. We are required by the US Department of Education to resolve any conflicting data, and this is a routine request.

Please complete the certification that follows, as it is based on the household you reported on the FAFSA. Most of the types of income or support listed on this form do not have to be reported on the FAFSA and will not affect your eligibility for financial aid. However, reporting the presence of these types of income or support on this form will resolve the conflict of how you met your living expenses.

Until we receive this completed form, we cannot determine your financial aid eligibility. If you have any questions or need assistance with this process, please email us at [finaid@tctc.edu](mailto:finaid@tctc.edu) or call (864) 646-1650.
