

# Welding Technology

The Welding Technology program at Tri-County Tech provides training in a variety of areas including:

- Arc welding
- MIG welding
- Dual-shielded, flux-cored arc welding
- TIG welding
- Plasma, acetylene, and carbon arc cutting
- Fabrication

Your courses provide hand-on opportunities to learn basic and advanced welding techniques. When you graduate, you'll be able to weld steel, stainless steel, and aluminum in structural and pipe applications. Your knowledge will help you meet the qualifications to find employment in construction or metalworking.

## PLUS

Eleven of the 13 required courses are lab-based with 98% of the work being hands-on

Tri-County's program is taught in a state-of-the-art, world-class health- and safety-focused facility unmatched in the southeast. It is designed to mimic a typical industrial facility. The modern equipment is in line with industry and evolving technology.

Advanced challenges built into each course to further develop skills related to work place requirements like confined space work, and working at elevation

The comprehensive training program provides a wide variety of applications and job opportunities, including fabrication, mechanical contractors, pipe welders, pipe liners, boilermakers and construction.

# Career Outlooks and Average Salaries

Job Title	What You Do	Salary			# Job Openings
		Entry	Median	Skilled	
Maintenance and Repair Workers, General	Perform work involving the skills of two or more maintenance or craft occupations to keep machines, mechanical equipment, or the structure of an establishment in repair. Duties may involve pipe fitting; boiler making; insulating; welding; machining; carpentry; repairing electrical or mechanical equipment; installing, aligning, and balancing new equipment; and repairing buildings, floors, or stairs.	\$23,240	\$37,270	\$59,675	1,113
Welders, Cutters, and Welder Fitters	Use hand-welding or flame-cutting equipment to weld or join metal components or to fill holes, indentations, or seams of fabricated metal products.	\$28,217	\$40,804	\$60,884	426
Pipe Fitters and Steamfitters	Lay out, assemble, install, or maintain pipe systems, pipe supports, or related hydraulic or pneumatic equipment for steam, hot water, heating, cooling, lubricating, sprinkling, or industrial production or processing systems.	\$25,723	\$40,601	\$67,418	250
Sheet Metal Workers	Fabricate, assemble, install, and repair sheet metal products and equipment, such as ducts, control boxes, drainpipes, and furnace casings. Work may involve any of the following: setting up and operating fabricating machines to cut, bend, and straighten sheet metal; shaping metal over anvils, blocks, or forms using hammer; operating soldering and welding equipment to join sheet metal parts; or inspecting, assembling, and smoothing seams and joints of burred surfaces. Includes sheet metal duct installers who install prefabricated sheet metal ducts used for heating, air conditioning, or other purposes	\$24,064	\$30,643	\$50,957	81

# Career Outlooks and Average Salaries

Job Title	What You Do	Salary			# Job Openings
		Entry	Median	Skilled	
Welding, Soldering, and Brazing Machine Setters, Operators and Tenders	Set up, operate, or tend welding, soldering, or brazing machines or robots that weld, braze, solder, or heat treat metal products, components, or assemblies. Includes workers who operate laser cutters or laser-beam machines.	\$27,532	\$38,592	\$51,804	41
Solderers and Brazers	Braze or solder together components to assemble fabricated metal parts, using soldering iron, torch, or welding machine and flux.	\$28,217	\$40,804	\$60,884	426
Structural Iron and Steel Workers	Raise, place, and unite iron or steel girders, columns, and other structural members to form completed structures or structural frameworks. May erect metal storage tanks and assemble prefabricated metal buildings.	\$29,670	\$42,421	\$74,415	41
