

A DUAL ENROLLMENT CAREER PATHWAY FOR

CRIMINAL JUSTICE TECHNOLOGY

tctc.edu/careerpathways

About the Program

- The TCTC Criminal Justice program prepares students for careers in law enforcement and beyond. Classroom training and field experiences also train you for careers in corrections and detention centers; communications and dispatch; victim and witness advocacy; court clerkships; pardon, probation and parole; and the fast-growing area of private security.
- Build a competitive and marketable resume for positions in the criminal justice system, including law enforcement, courts, and corrections.
- Characteristics of a successful CRJ student include caring nature, compassionate, reasonable, and articulate. Students must seek to make their communities a safer place for all.

About the Pathway

- Earn 12 hours of college credit that you can use toward an Associate in Applied Science Degree in Criminal Justice Technology. Additional college credit may be earned through Technical Advanced Placement (TAP).
- Students may also specialize in the following disciplines: Law Enforcement Operations, or Paralegal Studies. Upon entry to Tri-County after high school, please see your advisor for these pathways.
- Take your dual enrollment classes at a TCTC Campus alongside college students or at a college site in your district.
