

A DUAL ENROLLMENT CAREER PATHWAY FOR

MEDIA ARTS PRODUCTION

tctc.edu/careerpathways

About the Program

- The explosion of online and mobile video content means any organization that has a message needs your media skills. Media Arts Production will prepare you to create media content wherever it is needed.
- Build a competitive and marketable resume for a variety of entry-level positions in a variety of settings, such as audio/video production, videography, TV/radio production, photojournalism, editing, and electronic media.
- Successful students are creative, effective communicators, interested in multiple forms of media, continuous learners, and enjoy technology.

About the Pathway

- Earn 12 hours of college credit that you can use toward an Associate in Applied Science Degree in Media Arts Production.
- Take your dual enrollment classes at a TCTC Campus alongside college students or at a college site in your district.
