## PREFERENCES
A NOTICE TO VENDORS (SEP. 2009): On June 16, 2009, the South Carolina General Assembly rewrote the law governing preferences available to in-state vendors, vendors using in-state subcontractors, and vendors selling in-state or US end products. This law appears in Section 11-35-1524 of the South Carolina Code of Laws. A summary of the new preferences is available at www.procurement.sc.gov/preferences. **ALL THE PREFERENCES MUST BE CLAIMED AND ARE APPLIED BY LINE ITEM, REGARDLESS OF WHETHER AWARD IS MADE BY ITEM OR LOT. VENDORS ARE CAUTIONED TO CAREFULLY REVIEW THE STATUTE BEFORE CLAIMING ANY PREFERENCES. THE REQUIREMENTS TO QUALIFY HAVE CHANGED. IF YOU REQUEST A PREFERENCE, YOU ARE CERTIFYING THAT YOUR OFFER QUALIFIES FOR THE PREFERENCE YOU'VE CLAIMED. IMPROPERLY REQUESTING A PREFERENCE CAN HAVE SERIOUS CONSEQUENCES. [11-35-1524(E)(4)&(6)]**

PREFERENCES – ADDRESS AND PHONE OF IN-STATE OFFICE: Please provide the address and phone number for your in-state office in the space provided below. An in-state office is necessary to claim either the Resident Vendor Preference (11-35-1524(C) (1) (i) & (ii)) or the Resident Contractor Preference (11-35-1524(C) (1) (iii)). Accordingly, you must provide this information to qualify for the preference. An in-state office is not required, but can be beneficial, if you are claiming the Resident Subcontractor Preference (11-35-1524(D)).*

* All contractors should note that including preference calculations after each item in the bid schedule as shown in Section VIII does not guarantee that preferences will be applied to each line item. Preferences may or may not have any effect in the calculation of the low bid. The application of preference is determined by certain different qualifying criteria being met. (See Section 11-35-1524 (E3) of the S.C. Consolidated Procurement Code for more details)

- In-State Office Address same as Home Office Address
- In-State Office Address same as Notice Address (check only one)

End of PAGE TWO
AMENDMENTS TO SOLICITATION (Modified): (a) The Solicitation may be amended at any time prior to opening. All actual and prospective Offerors should monitor the following web site for the issuance of Amendments:  http://tctc.edu/About_TCTC/PurchasingSolicitation/Solicitation.xml  (b) Offerors shall acknowledge receipt of any amendment to this solicitation (1) by signing and returning the amendment, (2) by identifying the amendment number and date in the space provided for this purpose on Page Two, (3) by letter, or (4) by submitting a bid that indicates in some way that the bidder received the amendment. (c) If this solicitation is amended, then all terms and conditions which are not modified remain unchanged.

Please note, offers must be submitted by 5/23/17 at 2:00 PM as stated on the cover page.

The revisions specified below modify the original solicitation specifications in Attachments A and B issued 5/8/17. Attachment D – Electrical 1-Line Diagram – has also been posted on the website for reference.

A. SPECIFICATION: AUTOMATIC TRANSFER SWITCHES 26 32 23 – Revisions to Attachment B:

1. Revision to Automatic Transfer Switch Schedule requirements listing:
   Reference: Para. 2.5  S - AUTOMATIC TRANSFER SWITCH SPECIAL REQUIREMENTS

   Replace the following paragraph:
   Refer to Automatic Transfer Switch Schedule on the drawings. Where specified or indicated, provide the features specified below:

   With the following paragraph:
   Refer to Automatic Transfer Switch Schedule hereinafter in this specification section. Where specified in other specification paragraphs or in the Automatic Transfer Switch Schedule, provide the features specified below. Note: The features listed below in this paragraph 2.5 apply only if specified in other specification paragraphs or in the Automatic Transfer Switch Schedule.

2. Revisions to Automatic Transfer Switch Schedule:
   Reference: Para. 2.15  S/C – AUTOMATIC TRANSFER SWITCH SCHEDULE
   Replace the following paragraph:

   With the following paragraph:
   1. Basis of Design: Kohler

3. Revisions to Automatic Transfer Switch Schedule:
   Reference: Para. 2.15  S/C – AUTOMATIC TRANSFER SWITCH SCHEDULE
   Add the following note above the automatic transfer switch schedule:
   2. Note: Provide the following features/accessories for ATS "A" and ATS "B":
      a. Bypass-Isolation Switch Mechanism
      b. Open Transition Transfer Switch
      c. Fully rated switched neutral
      d. Engine-Generator Exerciser
      e. Auxiliary Automatic Transfer Switch Position Contacts: Quantity of 2
      f. Auxiliary Bypass - Isolation Switch Position Contacts: Quantity of 2
4. Revisions to Scope:
   Reference: Para. 1.1 S/C - SCOPE
   Add the following paragraphs:

   The equipment provided for under this specification section is indicated on the project electrical power distribution single line diagram; compliance with related requirements on the project electrical power distribution single line diagram pertaining to the equipment provided for under this specification is required. The current project electrical power distribution single line diagram is issued with this solicitation addendum.

   The equipment provided for under this specification section is included in the project commissioning process; compliance with related requirements in the project commissioning specification pertaining to the equipment provided for under this specification is required. The current project commissioning specification is issued with this solicitation addendum.

B. SPECIFICATION: PACKAGED ENGINE GENERATOR SYSTEMS – DIESEL  26 32 13 – 1 – Revisions to Attachment A

1. Revision to generator starting system specifications:
   Reference: Para. 2.11.A.8 Battery Charger:
   Replace the reference to “UL 2012” to specify “UL 1236”

2. Revisions to Scope:
   Reference: Para. 1.1 S/C - SCOPE
   Add the following paragraphs:

   The equipment provided for under this specification section is indicated on the project electrical power distribution single line diagram; compliance with related requirements on the project electrical power distribution single line diagram pertaining to the equipment provided for under this specification is required. The current project electrical power distribution single line diagram is issued with this solicitation addendum.

   The equipment provided for under this specification section is included in the project commissioning process; compliance with related requirements in the project commissioning specification pertaining to the equipment provided for under this specification is required. The current project commissioning specification is issued with this solicitation addendum.
