

Banner Self Service: Searching the Class Schedule

The interactive class schedule allows you to browse the class schedule within Banner Self Service. This feature allows you to search only.

To search the interactive class schedule:

1. Select the term to search in the dropdown menu and click on the **Submit** button.

The screenshot shows the top of the Banner Self Service interface. At the top is a dark header with the text "Tri-County Technical College". Below the header, on the right side, are the links "HELP" and "EXIT". The main heading is "Class Schedule Search". Below this heading is a horizontal line. Underneath the line is the label "Search by Term:" followed by a dropdown menu currently showing "Fall 2006 (View only)". Below the dropdown are two buttons: "Submit" and "Reset". At the bottom left of the page area, it says "RELEASE: 6.3". At the bottom right, there is a logo that says "powered by @sct".

2. Enter your search criteria in the fields provided. Choose any combination of fields to narrow your search. To select multiple items within a field, hold <Ctrl> while clicking your selections. NOTE: The minimum requirement for a search is the selection of a SUBJECT.

This screenshot shows the same search page as above, but with various search criteria entered. The "Subject:" dropdown is open, showing "Accounting", "Allied Health Science", and "Anthropology". The "Course Number:" field is empty. The "Title:" field is empty. The "Credit Range:" is set to "hours to hours". The "Campus:" dropdown is open, showing "All", "Anderson Campus", and "Hamilton Career Center". The "Part of Term:" section has the note "Non-date based classes only" and the "Session:" dropdown is open, showing "All", "1st Session - Day Class", and "1st Session - Dist Learning". The "Start Time:" is set to Hour: 00, Minute: 00, am/pm: am. The "End Time:" is set to Hour: 00, Minute: 00, am/pm: am. The "Days:" section has checkboxes for Mon, Tue, Wed, Thur, Fri, Sat, and Sun, all of which are currently unchecked. At the bottom are "Class Search" and "Reset" buttons.

3. Click the **Class Search** button. The Class Schedule Listing will appear.
