

TCTC Strategic Plan Fiscal Year 2018

Driving Organizational Success through Our People

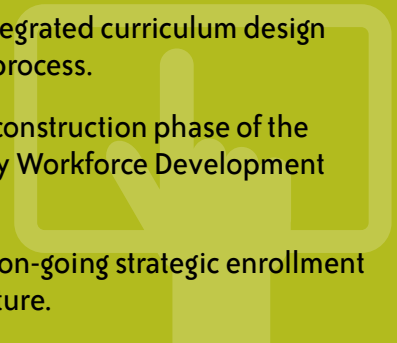

- Define the transformative employee experience.
- Develop a BannerXE implementation plan.
- Design a service hub model for strengthening business and industry relations.
- Create a comprehensive individual development plan framework for employees.
- Develop a diversity plan to achieve strategic objectives.

Reinventing Our Offerings

- Update the College Master Plan
- Design an I-BEST healthcare pathway
- Conduct a feasibility study to evaluate a college-supported economic development incubator
- Develop an integrated curriculum design and approval process.
- Complete the construction phase of the Oconee County Workforce Development Center Project
- Implement an on-going strategic enrollment planning structure.

Positioning and Equipping Students for Success

- Design a multiple measures framework for college placement.
- Create a work-based learning framework.
- Define an articulation pathways strategy with four year colleges.

Embracing Personal Accountability for Student Learning

- Implement the High Impact Educational Practices plan.
- Integrate 21st Century Skills into curricula and co-curricula.

Transformative Student Experience

The Transformative Student Experience ignites student transformation by creating a challenging, caring, and supportive learning environment where everyone embraces personal responsibility for **MAINTAINING HIGH STANDARDS, INVESTING IN EACH OTHER, ENGAGING IN AUTHENTIC AND OPEN COMMUNICATION, and CULTIVATING A SENSE OF BELONGING.**
