ATI FUNDAMENTALS TESTING

Revised 06/15/17
Reviewed 2/2018

For Transition Nursing Notice of Completion

The Tri-County Technical College (TCTC) Assessment Center administers the ATI Fundamentals Test for students entering the LPN to ADN Transition Nursing program. This test is required for students who wish to submit a “Notice of Completion Form.” Study Guides are available in Fulp 401.

WHERE: TCTC Assessment Center- Miller Hall Room 103
There is limited availability for testing at Easley Campus. Details appear below.

WHEN: ATI Fundamentals testing will be offered on a walk-in basis Monday through Thursday from 8:30 AM until 1:00 PM-Pendleton Campus
Testing will be offered on the Easley Campus on Tuesdays from 2:00-3:30 PM.
Call (864)646-1300 if you have any questions concerning testing dates and times.
The Assessment Center and Easley Campus computer lab experience heavy traffic two weeks before each semester begins.

COST: $40 – Subject to change.

HOW: To sit for the ATI Fundamentals test, students must have completed the application process at TCTC. A picture ID is required for this test. Ear plugs are permitted and suggested for students who may be distracted by noises.

At the Assessment Center (Pendleton Campus), the student will be given a Check-in/Score Report slip to take to the Cashier’s Office, located in Ruby Hicks. After paying the $40 testing fee, the Cashier will give the student a receipt. The student will return to the Assessment Center (with the receipt) to start ATI Fundamentals testing. This occurs at the Information Desk on the Easley Campus.

Students should allow 1.5 hours for ATI Fundamentals testing. Students may not leave during the test unless extenuating circumstances arise. This test consists of questions designed to assess a student’s mastery of concepts of nursing fundamentals linked to the NCLEX test plan.

SCORING: A passing score is level two or three; below level two is not passing. A student may elect to take the ATI Fundamentals test twice (Forms A and B) during a three year period.* The student is responsible for paying the testing fee on both occasions. If a student scores less than a level two, they are encourage to go to www.atitesting.com for a printout of weak areas.

Accommodations: A student with a documented disability that will prevent him/her from taking the test under standard conditions may request accommodations. Requests for accommodations should be made directly to the Accessibility Resource Center at (864)646-1564.
