Reviewed 2/2019, 6/2020, 2/2021

You should receive an email notice of acceptance or denial approximately three weeks after application deadline to your Tri-County email.

DEADLINE DATES

FALL ENTRY: May 15th to May 31st

SPRING ENTRY: September 15th to September 30th

This is not the application. You may use this worksheet to estimate your points for entry.
Please see Criteria and Instructions at <https://www.tctc.edu/nursing> for submission guidelines.

APPLICATION CRITERIA

1. Participate in the Online Pre-Nursing Workshop and submit verification which may take 2 business days to process (located on the Nursing webpage listed above).
2. TEAS score minimums: Achieve the minimum TEAS Adjusted Individual Test Score (AITS) of 50%. The TEAS test can be taken twice in an Academic Calendar year which begins August 1st and ends July 31st.
3. Achieve a level 2 or higher on the Assessment Technology Institute (ATI) RN Fundamentals Exam. The ATI RN Fundamentals Exam can be taken twice in an Academic Calendar year which begins August 1st and ends July 31st.
4. Overall GPA at least 2.5.
5. Have taken BIO 101, BIO 210, ENG 101, MAT 120, and BIO 211 (or be registered for it) with a grade of "C" or higher.
6. BIO 101, BIO 210, BIO 211, and BIO 225 courses may be attempted only two times to achieve a passing grade of "C" or higher. An attempt is defined as completing the course and receiving a grade or a withdrawal from the course after the drop date. If a student fails to achieve a "C" or higher after two attempts, they will not be eligible to apply to the program for at least 5 years after the first unsuccessful attempt. The student will still be required to retake the course and achieve a grade of "C" or higher. This criterion is in effect for students completing these courses in Spring 2021 or after.
7. BIO 210, BIO 211, and BIO 225 courses once completed, expire in 5 years. This criterion is in effect for students enrolled at (current catalog term) TCTC in Spring 2021 or after. For those applicants whose BIO 210, BIO 211, or both are greater than 5 years old, students can elect to take the ATI Anatomy and Physiology test in an effort to exempt repeating BIO 210 and/or BIO 211. The required minimum score is 61% or higher. If the minimum score is not achieved, students are required to repeat BIO 210 and/or BIO 211. There are no test-out options for BIO 225. The Anatomy and Physiology test can be taken twice in an Academic Calendar year which begins August 1st and ends July 31st.
8. LPN license must be a current and unencumbered Multi state license or Paramedic Certification must be current and unencumbered.
9. LPN Nursing Education must be from a nationally (ACEN) credentialed college/program or Paramedics require an Associate in Applied Science Degree.

***If you answered "No" to any one of questions 1-9, you do not meet the application criteria. YOU MAY NOT SUBMIT THE APPLICATION AT THIS TIME.**

IMPORTANT NOTES

- Once you have the required Pre-Nursing Workshop, TEAS scores and GPA, check your [Nursing Clinical Entry Application](#) for accuracy.
- Applications will not be accepted after the deadline. **Submission procedure is on page 2. Please check your Tri-County email account.**
- If you have been enrolled in any clinical nursing course at Tri-County Tech, please let the nursing office know.
