

January 22, 2021

As you may have noticed, you were awarded a COVID-19 Relief Grant this semester. This was made possible through the stimulus funding sent to colleges and universities from the federal government to help students with tuition, fees, materials and technology, food, housing, healthcare, or child care costs. In accordance with federal law, we are required to have you complete a consent form. The **COVID Consent Form** has been added to your missing financial aid requirements and **must** be completed in order for the grant to disburse to your account. The consent is an electronic submission, so if you log in to your eTC account, you will be able to complete it electronically. *Please complete the form as soon as possible.*

Should you have any questions or concerns, please do not hesitate to contact the Financial Aid Office.

Thank you,

Melanie L. Gillespie
