¹ See Visual Arts curriculum worksheet for suggested courses to fulfill this requirement.

² If ENG 101 + 102 is taken for English Composition requirement, ENG 102 should be taken instead of the second Social Science requirement.

³ Select any course from the Bridge Academic and Advising Guide that fulfills the Mathematics or Natural Science with lab requirement.

⁴ Take up to 12 additional hours of courses listed in the Bridge Student Academic and Advising Guide that will transfer to Clemson. HIS 201 or PSC 201 are strongly recommended as they satisfy the REACH requirement for graduation.

Any student with dual enrollment or AP/IB credit for any of the above mentioned courses should consult the Undergraduate Catalog and Bridge Student Academic and Advising Guide for additional coursework that fulfills major and Bridge program requirements.
