Tips for Using Your Meal Plan

Make the Most of Your Meal Plan

❖ Choose Dine-in or To Go! Dine-in areas at Schilletter and McAlister will offer the most variety. Use the dine-in service to take your meals To Go for the most variety! Just ask an associate for a To Go box if one is not provided.

❖ Schilletter has an Express To Go lane for those in a hurry – choices include comfort, grill, vegan, salad or a sandwich, dessert, and drinks.

❖ Gather ingredients for cooking in your kitchen. The salad bar is a great place to grab veggies to make your own stir-fry in your residence hall!

❖ Looking to grab multiple To Go boxes? No problem! Carry even more back to your residence hall by bringing your own reusable bag.

❖ Menus for Schilletter and McAlister Dining Halls are online! Check them out under the Campus Life tab of the my.Clemson app.

❖ Looking for specific foods, or have a dietary restriction? Start a conversation with our registered dietitian by emailing nutrition@clemson.edu.

❖ Don’t forget about meal exchange! Exchange a swipe for a meal at Freshens or Village Market for breakfast, and the Community Hub for lunch and dinner.

❖ Make your meals social! Grab a friend and utilize the outdoor seating areas around Clemson’s campus, such as around the Hendrix Student Center, Cooper Library, the Union, McAlister Hall and more.

Example Gluten Solutions

| Menu, McAlister Dining Hall, My.Clemson app |
| Baked Chipotle-Orange Chicken | 190 Calories | Baked boneless chicken breast coated with a spicy Latin seasoning mix and chipotle-orange glaze |
| Herb Roasted Red Potatoes | 100 Calories | Roasted quartered red potatoes tossed with rosemary, thyme and marjoram |
| Steamed Broccoli Florets | 20 Calories | Steamed broccoli florets tossed with garlic and black pepper |
| Caprese Salad | 150 Calories | Fresh mozzarella, tomatoes and basil with a light vinaigrette |
