

Business Administration

A degree from Tri-County Technical College's Business Administration program prepares you for a variety of areas in the world of business, ranging from management, supply chain management, project management, entrepreneurship, to marketing to finance. If you already have strong organizational, time-management, communication and technical skills, as well as a keen attention to small details, you have a solid foundation for success in this program.

Choose an emphasis in Entrepreneurship, Management, Marketing, Operations Management, or General Business to specialize in the field you want to enter and make yourself indispensable to future employers. And through courses required for the Operations Management Emphasis, you'll have the opportunity to test for a set of 8 national supply chain management (SCM) certifications.
