

Agriculture, Forestry, and Life Sciences (CAFLS) Undeclared Curriculum Worksheet (2022-2023)

This worksheet outlines the required courses for this major. Students are expected to be familiar with general education and major-specific requirements for their intended major as outlined in the Clemson Undergraduate Catalog. Additionally, students must satisfy any Tri-County prerequisites for the courses below. To complete Bridge program requirements, students must earn 30 credits at Tri-County and a 2.5 GPA during their Bridge year (fall, spring, and optional summer, if needed). Students should consult the backside of this worksheet, the Undergraduate Catalog, and the Bridge Academic Guide for Clemson course equivalencies and alternative courses if students wish to enroll in other courses or if any of the following requirements have been met through dual enrollment or AP/IB credit. Advising worksheets are supplemental planning aids and are for informational purposes only.

Additional Course Options

Major Specific or Elective Courses

¹ See CAFLS Undeclared in the Clemson Undergraduate Catalog for suggested courses to fulfill this requirement.

² Select any course from the Bridge Student Academic Guide that fulfills the Social Sciences Requirement. HIS 201 and PSC 201 strongly recommended as they also satisfy the REACH Act for graduation.

³ If ENG 101 + 102 is taken for the English composition requirement, ENG 102 should be taken instead of the A&H Non-Lit requirement.
