

Humanities (AAH) Undeclared Curriculum Worksheet (2022-2023)

This worksheet outlines the required courses for this major. Students are expected to be familiar with general education and major-specific requirements for their intended major as outlined in the Clemson Undergraduate Catalog. Additionally, students must satisfy any Tri-County prerequisites for the courses below. To complete Bridge program requirements, students must earn 30 credits at Tri-County and a 2.5 GPA during their Bridge year (fall, spring, and optional summer, if needed). Students should consult the backside of this worksheet, the Undergraduate Catalog, and the Bridge Academic Guide for Clemson course equivalencies and alternative courses if students wish to enroll in other classes or if any of the following requirements have been met through dual enrollment or AP/IB credit. Advising worksheets are supplemental planning aids and are for informational purposes only.

Undecided students are encouraged to take classes in a major of interest to learn more about the subject. Please also visit the Michelin Career Center on the third floor of Hendrix Student Center to take an Interest Inventory to help explore different career paths.

Additional Course Options

Course for Major of Interest

¹ See Humanities (AAH) Undeclared curriculum worksheet for suggested courses to fulfill this requirement.

² HIS 201 or PSC 201 satisfy the REACH requirement for graduation and one Social Science requirement.

³ Students are encouraged to review Curriculum Worksheets for majors of interest to select coursework. These courses may transfer as electives when the student declares an official major.

⁴ If ENG 101 + 102 is taken for the English Composition requirement, ENG 102 should be taken instead of the Arts & Humanities (Lit.) requirement.

⁵ Select any course from the Bridge Academic and Advising Guide that fulfills the Social Science requirement. Note, this course must be in a different discipline than the course chosen to fulfill the other 3 credits of Social Science (HIS 201 or PSC 201).

Humanities (AAH) Undeclared Curriculum Worksheet (2022-2023)

Advising worksheets are supplemental planning aids. While every effort is made to ensure accuracy, the student's responsibility is to understand and meet degree requirements in the applicable Undergraduate Catalog. Contact Clemson adviser **Joe Wilson** (jewelso@clemson.edu) for additional information about this worksheet.

Students interested in a closed major will be in Humanities (AAH) Undeclared until they declare their major as a degree-granting program. Admission to closed majors is highly competitive and cannot be guaranteed to Bridge students. **Students should identify and work toward the degree program they would pursue if admission to the limited enrollment major is denied. Students are encouraged to declare this parallel plan as their major before crossing the bridge to Clemson.**
