

## Language and International Health Curriculum Worksheet (2022-2023)

### CLOSED MAJOR

This worksheet outlines the required courses for this major. Students are expected to be familiar with general education and major-specific requirements for their intended major as outlined in the Clemson Undergraduate Catalog. Additionally, students must satisfy any Tri-County prerequisites for the courses below. To complete Bridge program requirements, students must earn 30 credits at Tri-County and a 2.5 GPA during their Bridge year (fall, spring, and optional summer, if needed). Students should consult the backside of this worksheet, the Undergraduate Catalog, and the Bridge Academic Guide for Clemson course equivalencies and alternative courses if students wish to enroll in other courses or if any of the following requirements have been met through dual enrollment or AP/IB credit. Advising worksheets are supplemental planning aids and are for informational purposes only.

*Admission to closed majors is highly competitive and cannot be guaranteed. Students should identify a parallel plan and work toward the degree program they would pursue if admission to the limited enrollment major is denied.*

Elective Courses (6 hours)<sup>5</sup>

<sup>1</sup> Students who wish to take Chinese, French, German, or Japanese may do so at Clemson beginning their sophomore year.

<sup>2</sup> If ENG 101 + 102 is taken for English Composition requirement, ENG 102 should be taken instead of SPC 200 or SPC 205.

<sup>3</sup> HIS 201 or PSC 201 strongly recommended for one of the courses as they satisfy Social Science req. and the REACH Act for graduation. Note, the second Social Science course must be in a different discipline than the first social science course.

<sup>4</sup> Take up to 12 hours from the following: ACC 101, BIO 102, CHM 211, CHM 212, ECO 210, ECO 212, MGT 101, PHY 201, or PHY 202.

<sup>5</sup> Take up to 6 additional hours of courses listed in the Bridge Student Academic and Advising Guide that will transfer to Clemson.
