

## Parks, Recreation and Tourism Management Curriculum Worksheet (2022-2023)

### Recreational Therapy Concentration

This worksheet outlines the required courses for this major. Students are expected to be familiar with general education and major-specific requirements for their intended major as outlined in the Clemson Undergraduate Catalog. Additionally, students must satisfy any Tri-County prerequisites for the courses below. To complete Bridge program requirements, students must earn 30 credits at Tri-County and a 2.5 GPA during their Bridge year (fall, spring, and optional summer, if needed). Students should consult the backside of this worksheet, the Undergraduate Catalog, and the Bridge Academic Guide for Clemson course equivalencies and alternative courses if students wish to enroll in other courses or if any of the following requirements have been met through dual enrollment or AP/IB credit. Advising worksheets are supplemental planning aids and are for informational purposes only.

#### Additional Course Options

Elective Courses (6 hours)<sup>4</sup>

<sup>1</sup> HIS 201 or PSC 201 are strongly recommended as they satisfy the REACH requirement for graduation. Students with AP, IB, or dual enrollment credit for these courses do not need to repeat them.

<sup>2</sup> If ENG 101 + 102 is taken for English Composition requirement, ENG 102 should be taken instead of Arts & Humanities (Lit.) requirement.

<sup>3</sup> Students interested in pursuing Occupational Therapy or Physical Therapy should take CHM 110 to satisfy graduate-level pre-requisite requirements.

<sup>4</sup> Take up to 6 additional hours of courses listed in the Bridge Student Academic and Advising Guide that will transfer to Clemson.
