

## Performing Arts – Music Concentration Curriculum Worksheet (2022-2023)

### Departmental Restrictions – Audition Required

This worksheet outlines the required courses for this major. Students are expected to be familiar with general education and major-specific requirements for their intended major as outlined in the Clemson Undergraduate Catalog. Additionally, students must satisfy any Tri-County prerequisites for the courses below. To complete Bridge program requirements, students must earn 30 credits at Tri-County and a 2.5 GPA during their Bridge year (fall, spring, and optional summer, if needed). Students should consult the backside of this worksheet, the Undergraduate Catalog, and the Bridge Academic Guide for Clemson course equivalencies and alternative courses if students wish to enroll in other classes or if any of the following requirements have been met through dual enrollment or AP/IB credit. Advising worksheets are supplemental planning aids and are for informational purposes only.

Note: Performing Arts majors (Audio, Music, or Theatre) require departmental approval and an audition. Students interested in a Performing Arts major should submit a [Student Interest Form](#) and contact the director of audio technology, **Dr. Bruce Whisler** ([bwhisle@clemson.edu](mailto:bwhisle@clemson.edu)), for additional information about the audition process. For information about large ensembles students may be able to participate in during their Bridge year, contact Clemson's [Tiger Band](#) office at 864-656-3380.
