

## Psychology (BS) Curriculum Worksheet (2022-2023)

### CLOSED MAJOR

This worksheet outlines the required courses for this major. Students are expected to be familiar with general education and major-specific requirements for their intended major as outlined in the Clemson Undergraduate Catalog. Additionally, students must satisfy any Tri-County prerequisites for the courses below. To complete Bridge program requirements, students must earn 30 credits at Tri-County and a 2.5 GPA during their Bridge year (fall, spring, and optional summer, if needed). Students should consult the backside of this worksheet, the Undergraduate Catalog, and the Bridge Academic Guide for Clemson course equivalencies and alternative courses if students wish to enroll in other courses or if any of the following requirements have been met through dual enrollment or AP/IB credit. Advising worksheets are supplemental planning aids and are for informational purposes only.

**Note:** This major has reached capacity for the 2022 – 2023 academic year and is now considered a **closed major**. To add or change into a Psychology major, you must attend one mandatory Change of Major meeting. At the time of the meeting, you must have a 2.4 GPA based on 12 credits or more taken at Clemson or in the Bridge to Clemson Program. No other transfer credits will count for this process.
