

## Graphic Communications Curriculum Worksheet (2024 – 2025)

This worksheet outlines the required courses for this major. Students are expected to be familiar with general education and major-specific requirements for their intended major as outlined in the Clemson Undergraduate Catalog. Additionally, students must satisfy any Tri-County prerequisites for the courses below. To complete Bridge program requirements, students must earn 30 credits at Tri-County and a 2.5 GPA during their Bridge year (fall, spring, and optional summer, if needed). Students should consult the backside of this worksheet, the Undergraduate Catalog, and the Bridge Academic Guide for Clemson course equivalencies and alternative courses if students wish to enroll in other courses or if any of the following requirements have been met through dual enrollment or AP/IB credit. Advising worksheets are supplemental planning aids and are for informational purposes only.

Note: This major is subject to space restrictions. If a Bridge student wants to change to Graphic Communications after starting their Bridge year, they are advised to reach out to the Clemson Admissions office at [bridgeadmissions@clemson.edu](mailto:bridgeadmissions@clemson.edu) for space capacity and the opportunity to change to the major.
