

Language and International Business (BA) Curriculum Worksheet (2024 – 2025)

All Concentration Areas

This worksheet outlines the required courses for this major. Students are expected to be familiar with general education and major-specific requirements for their intended major as outlined in the Clemson Undergraduate Catalog. Additionally, students must satisfy any Tri-County prerequisites for the courses below. To complete Bridge program requirements, students must earn 30 credits at Tri-County and a 2.5 GPA during their Bridge year (fall, spring, and optional summer, if needed). Students should consult the backside of this worksheet, the Undergraduate Catalog, and the Bridge Academic Guide for Clemson course equivalencies and alternative courses if students wish to enroll in other courses or if any of the following requirements have been met through dual enrollment or AP/IB credit. Advising worksheets are supplemental planning aids and are for informational purposes only.

¹ See the reverse side of this worksheet for suggested courses to fulfill this requirement.

² Students who wish to take Chinese, French, German, or Japanese may do so at Clemson beginning their sophomore year.

³ HIS 201 or PSC 201 strongly recommended for one of the courses as they satisfy Social Science req. and the REACH Act for graduation. Note, the second Social Science course must be in a different discipline than the first social science course.

⁴ If ENG 101 + 102 is taken for English Composition requirement, ENG 102 should be taken instead of SPC 200 or SPC 205.
