**Note:** This major has specific requirements a student must complete during their Bridge year to Bridge directly into this major at Clemson. See the next page for a complete list of requirements.

Any student with dual enrollment or AP/IB credit for the courses mentioned above should consult the [Clemson Undergraduate Catalog](https://www.clemson.edu/undergraduate/catalog/) & Bridge Student Academic and Advising Guide for additional coursework that fulfills major and Bridge program requirements.

## College of Education Entry Major Information

---

Entry into education majors requires students to maintain a 2.75 GPA to cross the Bridge into the major. Students should also complete Praxis Core requirements for education (by taking or waiving Praxis Core - details provided to Bridge in a separate form).

**Bridge students must meet the following requirements by the end of their Bridge year to enter directly into the program and advance to the professional-level education coursework at Clemson:**

1. Have a cumulative 2.75 GPA or higher
2. Satisfy the Praxis Core Requirement in one of the following ways:
  - a. Have an SAT score of 1100+, or
  - b. Have an ACT score of 22+, or
  - c. Take and pass the Praxis Core ([www.ets.org/praxis](http://www.ets.org/praxis)).
3. Complete the Bridge program requirements (earning at least 30 credit hours and 2.75 GPA)
4. Complete the Math course for your Education major

Students who do not have an SAT score of 1100+ or an ACT score of 22+, must **TAKE and PASS** the Praxis I Core Academic Skills exam and meet the other criteria listed above.

### **What if a student does not meet entry requirements?**

If a Bridge student does not complete all the specific program requirements, they may need additional semesters of undergraduate coursework or summer school coursework to complete the required math, modern language, and other program-specific requirements.

Students not meeting the minimum 2.75 GPA requirement will not be considered for direct admission into a College of Education program. These students may cross the Bridge to Clemson in an alternate major and consider the change-of-major application process once at Clemson. Taking additional semesters of coursework to complete program requirements will result in a later graduation plan for some students.
