

Agribusiness Curriculum Worksheet (2024 – 2025)

This worksheet outlines the required courses for this major. Students are expected to be familiar with general education and major-specific requirements for their intended major as outlined in the Clemson Undergraduate Catalog. Additionally, students must satisfy any Tri-County prerequisites for the courses below. To complete Bridge program requirements, students must earn 30 credits at Tri-County and a 2.5 GPA during their Bridge year (fall, spring, and optional summer, if needed). Students should consult the backside of this worksheet, the Undergraduate Catalog, and the Bridge Academic Guide for Clemson course equivalencies and alternative courses if students wish to enroll in other courses or if any of the following requirements have been met through dual enrollment or AP/IB credit. Advising worksheets are supplemental planning aids and are for informational purposes only.

² If a student is not ready to begin calculus (MAT 130 or 140) in the Fall, the student is strongly encouraged to complete preparatory math to ensure MAT 130 is completed prior to transitioning. Not completing MAT 130 prior to starting Clemson will prolong degree completion.

³ If student places into ENG 103 for Fall, A&H Lit Req should be taken in Spring.

⁴ Refer to courses listed in the Bridge Student Academic and Advising Guide that will transfer to Clemson.
