

Dear Graduate:

Thank you again for submitting your application for graduation. Final grades and GPA calculations will be posted on Monday, May 5, 2025. This includes: 1) successful completion of any courses that were in progress for this term, 2) all applicable transfer credit was received if you were using credit from another college to help satisfy some of your requirements, 3) you met the minimum 2.0 program GPA requirement, and 4) you satisfied all financial commitments to the College. The purpose of this letter is to inform you about graduation requirements and the graduation ceremony.
